Beyond Blindness' raised \$252,874 at its sixth annual Vision Beyond Sight Gala at the Marconi Automotive Museum in Tustin. The nonprofit will use the money to support children with visual impairments and other disabilities. Beyond Blindness also has a new strategic plan for the next five years that will expand early intervention, education and enrichment and family programs. By 2027, the organization plans to serve more than 2,600 children and families.
